7th International Conference

on Water in Food

3–5 June 2012

Helsinki, Finland

Organised by

Good Food, Good Life

ABOUT THE CONFERENCE

This conference on “Water in Food” is the 7th in a row of workshops and conferences held in

- 2000 in Ispra, Italy
- 2002 in Reims, France
- 2004 in Lausanne, Switzerland
- 2006 in Brussels, Belgium
- 2008 in Nürtingen, Germany
- 2010 in Reims, France.

Proceedings of these conferences were published in special issues of *Food Control* and *Food Chemistry* as peer-reviewed papers.

OBJECTIVES

This 7th conference intends to focus on water in food. It will cover the progress in the fields of water determination, water activity and water interactions in the food matrix as well as the influence of water on food processing and stability.

Presentations – 3 plenary lectures, 21 oral presentations and numerous posters – should illustrate the importance of these items including water mobility to food formulation and preservation. Special aspects of water for food quality will also be addressed.
